

# BSSA Group Lessons

*“However, those who do not attend group lessons have a smaller share of the joy of the heart. They also grow more slowly. Please always let them attend group lessons.”*  
– Dr. Suzuki

Group classes serve multiple purposes:

- To build community and develop interpersonal skills through joint music making
- To instill and solidify instrumental techniques through review
- To explore a wide range of music education areas that enhance instrument growth, i.e., theory, music history, composition/improvisation

## Group Classes and Briosso protocols:

- All group classes and Briosso rehearsals will again take place at St. Joseph’s School, 2750 N. 122<sup>nd</sup> St., Wauwatosa.
- At this time masks are optional for all students, teachers, parents and age-appropriate siblings while in St. Joseph’s School.
- We are excited to welcome all parents back to group class!
  - For those students assigned to the 4:45pm group classes with Ms. Abigail Peterson, parental involvement is expected.
  - Parents with students in Mrs. Kate Behring’s 4:45pm class are required to be in the building.
- If the pandemic changes or inclement weather occurs group classes will move on-line using Zoom. You will be notified of this change via Remind, email and on the Barcel Facebook page no later than 2 hours before the start of class.

Group lesson guidelines:

1. Regular attendance is expected. Please consider over committing your child with too many extracurricular activities.
2. **Please arrive 5-10 minutes before the start of your class** to ensure time to unpack and tune. Arriving to class at or after the stated start time only delays the beginning of class for everyone.
3. Briosso members should have a music stand, pencil and all music ready for each class.
