

BSSA Group Lessons

"However, those who do not attend group lessons have a smaller share of the joy of the heart. They also grow more slowly. Please always let them attend group lessons."
– Dr. Suzuki

Group classes serve multiple purposes:

- To build community and develop interpersonal skills through joint music making
- To instill and solidify instrumental techniques through review
- To explore a wide range of music education areas that enhance instrument growth, i.e., theory, music history, composition/improvisation

NEW!!! In-person group lesson & Briosos protocols: (This will be adjusted when possible/needed.)

- All in-person group classes will again take place at St. Joseph's School, 2750 N. 122nd St., Wauwatosa.
- Masks are required for all students, teachers, parents and age-appropriate siblings while in St. Joseph's School.
- In order to allow for social distancing during group class we are limiting the number of people allowed in each classroom. We ask that parents/caregivers with children in the following group classes please drop off their child/ren and NOT enter the building unless necessary.
 - Ms. Ann Wood's 4:45pm group & 5:30pm group
 - Ms. Colleen Fitzgerald's 5:30pm group & Briosos
- For those students assigned to the 4:45pm group classes with Ms. Colleen Fitzgerald, parental involvement is expected. *aka parents are allowed in the classroom.* Parents with students in Mrs. Behring's 4:45pm class are also allowed in the classroom.
- If the pandemic changes or inclement weather occurs group classes will move on-line using Zoom. You will be notified of this change via Remind, email and on the Barcel Facebook page no later than 2 hours before the start of class.

Group lesson guidelines:

1. Regular attendance is expected. Please consider over committing your child with too many extracurricular activities.
2. Please arrive 5-10 minutes before the start of your class to ensure time to unpack and tune. Arriving to class at or after the stated start time only delays the beginning of class for everyone.
If you were not aware, road construction is happening on I41 north and south bound, on North Ave. from Mayfair Road west to Pilgrim Parkway, on Burleigh Street between I41 and N. 124th Street as well as on Center Street from Mayfair Road to I41. Please prepare your travel time accordingly.
3. Mrs. Fitzgerald's & Ms. Fitzgerald's 5:30pm class members as well as Briosos members should have a music stand, pencil and all music ready for each class.

Group Lesson Schedule and Assignments

Brioso

Meets alternating Tuesdays from 6:30-8:30pm in the Music Room. See calendar for specific dates.

Behring, Andrew
