

BSSA Group Lessons

“However, those who do not attend group lesson shave a smaller share of the joy of the heart. They also grow more slowly. Please always let them attend group lessons.” – Dr. Suzuki

Group Lesson Guidelines

1. Regular attendance is expected. Please carefully consider over committing your child with too many extracurricular activities.
2. Please make every effort to arrive on time so tuning and class can begin promptly.
3. Barcel Brioso members must attend group regularly & attend the last rehearsal before a performance/tour in order to be eligible to participate.
4. To participate in the Festival Concert families must attend a minimum of two group lessons per month.
5. Regular attendance at group lesson enables students to be eligible for summer institute scholarships & selection to perform at significant private performing opportunities.
6. To maintain an effective learning environment, parents please keep conversations to a minimum. Also please bring quiet activities for siblings. Running & loud talking is unacceptable. Students & siblings not in class are to be supervised at all times.
