

BARCEL BABIES

Suzuki Early Childhood Education

Class Information

- Wear comfortable clothing/shoes and be ready to move – sitting (on the floor), standing, lifting, walking, carrying – these motions and more occur many times each class. Attending adults who are unable to perform these will be accommodated with modified activities. We will figure it out together!
- Smile, enthusiasm is contagious! Adult participation in class activities such as singing and moving to the music is vital to children's learning.
- We nurture a NO PRESSURE class atmosphere. Children participate at their own pace by observing, tracking, allowing hand-over-hand assistance and independent performance. All are valid ways to learn and participate.
- Arrive 5 minutes before class is scheduled to begin.
- One child/one adult class ratio is important for creating the optimal learning environment.
- Please socialize with other adults before and after class.

Health and Wellness Protocols

- If you or your child are feeling under the weather (aka. sniffles, cough, congestion, etc.) we ask that you stay home from class for the continued health of all.

Payment/Fee Policy

- Returning families will receive an invoice prior to each session. Tuition is due before or at the first class of each session for both new and returning students. Each session consists of 9 classes. There are three sessions during the school year (fall, winter, spring). An abbreviated summer session may be offered. Watch for details.
- Families joining the class after the fifth class of the session will be assessed one-half the total tuition amount for the session.
- Tuition is non-refundable including for weather or illness.

Weather

- Class may be cancelled or moved online to Zoom in the event of inclement weather. A decision will be made and communicated no later than 1 hour prior to the start of class. Please watch for a text and/or an alert on the app REMIND.
- The first class cancelled per session by BSSA will not be re-scheduled however subsequent classes cancelled by BSSA due to inclement weather will be re-scheduled.
