Instructions:

- On days 1, 3 and 5 – play through the pieces without stopping. Make a note next to any places where the child forgets, hesitates or makes mistakes. Jot down a note about “uh-oh” areas. Once done, color in a tree.
- On days 2, 4 and 6 – work on areas that were noted from the day before. Put small sections back in context by playing through piece. *If you were not able to work through the “uh-oh” don’t spend more time on it, let your teacher know at the next lesson.* Once done, color in a tree.
